## Summers Here!!!

I hope you have booked your summer break and are going somewhere nice.

I am flying to Cyprus very soon taking three of my fifteen grandchildren with me!

I don't think I will get time to relax!

Enjoy your break if you are having one and don't forget to book your course!

## Asbestos?

Did you know that we carry out

### Asbestos Surveys?

We will come and survey your property, send off any samples if needed and complete a report for you all at a very good price which will be agreed with you before we carry out the survey.

## ASBESTOS

## OPITO UPDATE

We are close! Everything has been sent into OPITO for the Banksman & Slinger Initial and Competence courses and they have accepted the competence level but we have to wait until the Initial has been passed at which time they will come out to audit us and then we will be on our way!

The paperwork for the Rigger Initial and Competence has been completed and will be sent in as soon as the Banksman & Slinger Initial is accepted.
